“ I am blessed to have known Teri for a little over twenty years. She was a good friend to me and she would call regularly to talk to me and quite often just listen. We sometimes would stay up talking and laughing till 3 am. I will miss her laugh... and miss her ringtone on my phone of “her dogs barking “ going off. I am lifting you all up in prayer right now and asking God to help give you comfort
From your broken hearts.
Sending you hugs and love
