“ Teri was such a genuinely kind, beautiful soul. I had the pleasure of working with her for many years during our mutual Ford careers. We also spent a delightful time touring Washington D.C. together while visiting Janet. It was at her home I played my very first game of Dungeons and Dragons. She made the world a better place and her absence is notably ever present by all those whose lives she so enriched.

“ Teri was a very dear friend. We had many fun trips together with many laughs and joyous times. Teri gifted me with a ceramic Lenox tree with seasonal ornaments to decorate it with. Each season that I change the ornaments I think of Teri and what a giving person she was.. I miss you my dear friend. You were gone too soon.
