“ Terri and I enjoyed our time spent sitting in the stands for football and basketball games, cheering on the Chiefs❤️ We did our part in maintaining the mojo by parking in the same spot, sitting in our same spots! Terri was supportive to all of the boys. Her laugh was contagious and heartfelt. These were some of the times spent together. But then the grandchildren started playing football and we were there again together cheering them on!! Terri was a fun-loving stylish lady and I treasured time with her. She will be missed for sure. Sending hugs and prayers to her family❤�🙏
