“ *My deepest condolences to Terry's family:*

Terry was a unique individual whom you liked as soon as you met him. I cherish the golf outings in Myrtle Beach where I first met him. When I told the Canadian group they were all were saddened at his passing. I will truly miss him and proud to be able to have called him my friend.

*My God Bless you,

“ Sherilyn, my deepest condolences to you and your family, my heart was heavy hearing the passing of your beloved husband. We may not have known each other long, but we have grown to being Sisters in Christ, in our Wednesday night Bible Class. As we share the love and compassion of Christ our Saviour, I am praying that you find comfort, strength and peace in knowing that God will never leave nor forsake you. Let us continue to lean on Him and not our own understanding, my Sister in Christ, my friend please do not hesitate to call if you need a shoulder to lean or cry on, I am here and the group is here, if we need to do a Zoom so that we all can be there for you please don't hesitate to ask. God has blessed us to be a blessing to one another no matter what the circumstances are. Love and continuous prayers to you and the family 🙏. Traci Oliver

At flight school I arranged for my dad to fly in this P-51 (like the one his father Ryland flew in WWII) I think he had a permanent grin on his face for a week.
