“ *Polly... I honestly don't know what to say bro. We were just talking the other day about riding hogs together next year, then this. I must say I am truly saddened from what happened; just as everybody else is. Well, to all friends and family, I wish the best during these rough times. To all STRMC family... D-Town is here for you all! We all look out for each other. You are a great group of guys and unfortunately have lost a great member for the time being... BUT! Always remember; It's never goodbye. It's a simple, see you later. Ride In Paradise Polly. See you in clouds homie! Look over us fellow riders and help keep us safe. See you on the flip side, bro.*
