“ *Terry was loving and generous to his family. He put the needs of others above himself so many times in his life. He was a proud father of Meridith and Adam and all of his grandchildren. He will be missed!*

“ Terry Strean

Mr Terry Strean was a strong man. May we find peace that his suffering has ended. He fought hard against many odds and his family was there all there way with the best care possible. Mrs Sharon Strean is a superwoman and dedicated her time to care for him. May her transition be graceful. My most memorable time with Mr Strean was many years ago when Meridith and I lived together at the Alpha Phi house at the University of Michigan. Sunday nights were family dinner night at the Strean house. If we were not eating a wonderful meal cooked by Mrs. Strean, we were out eating Chinese or some other special restaurant Mr Strean selected. When eating at home we had a special treat of watching the Simpsons and In Living Color. Being a Prince fan, I thought Mr. Strean was the coolest guy around to like the show In Living Color. Every time I hear about that show I think of Mr. Strean and the warm, cozy Sunday nights at the Strean house in Plymouth Michigan. Deepest condolences to all touched by Mr Terry Strean. Love, Molly Bush Acker

“ We have many fond memories of Terry. Ray met Terry in ROTC at Cody High School, but their friendship solidified when they worked together at Uniroyal Tire in 1965.

When Terry met Sharon, the four of us would get together and shared so many good times. And when Terry married Sharon, we were privileged to be part of their wedding party. We shared picnics, holidays, birthdays, dinners and just playing cards. We celebrated the births of our children (Terry is godfather to one of our sons). There were many family picnics, pizza get-togethers and special outings.

We will never forget him and he will be truly missed. Our deepest sympathy, prayers and love to Sharon, their children and grandchildren. Having Terry in our lives was a special joy.
