“ Theodore Anthony Brach

“ I knew Ted Brach for many, many years. I remember him not only when I was a teacher/administrator, but also when I was a student way back in the '60s. Ted was one of the hardest working people that I know and he rarely, if ever, took a break. He was a great guy and will be sorely missed.

“ I knew Ted from Robichaud High School. I was one of the many teachers who adored Ted because we knew he was always there to assist us in any way possible. He made our lives and the lives of thousands of students more pleasant by caring for every detail at Robichaud. He was by far one of the most dedicated, ambitious, and genuinely thoughtful staff members. Bless you Ted. My prayers are with you and your family.

“ Mr Brach or Teddy was one of the friendliest custodian I knew. I would go up and talk to him a lot. R.I.P. Theodore Brach

“ I've known Mr. Brach for many years, since I was a kid living across the street from him and Mrs Brach on Norfolk St. in Inkster. Me, my brother and the other kids on the street used to think he was a mean guy, always getting on us about walking on his grass. As we got older, though, we knew he wasn't mean at all, just trying to teach us respect for others property. He worked at Robichaud High School and I used to see him every day, we always exchanged hellos. Didn't see him again till I used to walk at Westland Mall and would run into him and Mrs. Brach walking. So, sorry to hear of his passing. He was a good honest man who I had the pleasure of knowing. Mrs Brach, I hope you get this and please know you have my deepest sympathies on behalf of me and my family.

Yours Truly,

Jim Horton
