“ We are so sad to hear that Ted passed. He was a great neighbor to my Aunt Cathie. They always looked out for each other. May he Rest In Peace.

“ I hadn't seen Butch in over 40 years. When I did, we made plans to have lunch sometime. He hung out at Ted's Party Store when we were young. My Dad owned the store. Before we got to have that lunch, COVID hit.
I thought about Butch about a month ago & thought that we should do that lunch.
I wish I had called. 🙏 RIP 🙏

“ I was the younger brother of all of Butches friends that grew up on Greenview and I left in 1965 at the age of 17 to join the Army and didn't return to the area until 1970 and I was the only one around then, all the other guys were married and off somewhere, and I moved to the East side in "72" and got married and stayed on the East side.. He spoke his mind as I meet him about 3 years ago at a Greenview Gang lunch we had and when he see me for the first time in many years he didn't say hello or anything but he said "Your FAT" so I said so, your stoned and both of us had a laugh, he had no filter and that was Butch. I hope you rest and piece and you will be remember

PS

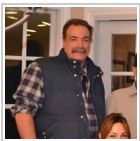

I saw Butch during his visits to see his sister, Ann in hospice. I hadn't seen him in 40 years. My dad owned the party store that everyone hung out at.
