“ As you know, I lost a very dear friend and I will miss Ted terribly. But, we all had many a good time with him and even though he may have left us in body, his spirit will be with us forever. Ted would not want us to grieve for him for a long time, just keep him in our hearts, and keep remembering the good times we all had with him and his ever present lust for life and good times. I will never forget my friend.

Love to you all,

Bob and Bernie Ripp
