“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
Sincerely, Carlos & Sandy

“ I can't believe it's been a week mom. Still not believing you are gone. I remember our last conversation saying you were happy for me and to be positive and get my kids back or at least partial custody. You said you were gonna help me and stand by my side all the way. You also said you are so happy that you can finally call and talk to me anytime without anyone fighting or getting mad at me. Thank you mom for rasing my sister's and I to be strong women like you were. You will always be in my heart and I know you are watching over all of us.

theresa and I have been texting everynite for about 6or7 months,since I lost my son , Eddie Hanner. She was over my house a little over a year ago when he was alive. she came with Don Stratz, I saw her a few times over the years but didn't really know her. While texting I got to know her a little and I know she worried about her kids. Always her kids. She,d sent me funny pictures on facebook. I talked to her the nite before she died. I couldn't believe it when Daniele posted about her dying. I had just talked to her and she said she would text me later and she asked for my phone # which I gave her. Things can happen in a blink of an eye!! Keep contact with your loved one cause you never know.I will come with Timmy D and his wife tomorrow to pay my respects. I already miss texting with her!
