“ *We all called her Aunt Theresa. When we were kids we all wanted to spend the night at Aunt Theresa's house. When Uncle Frank would tell us one of his many "tall tales", we all turned immediately to Aunt Theresa who would assure it wasn't true. I remember him saying, "Theresa, tell them it's true" & she would just shake her head no & laugh. Laughing is how I will always remember her. She had such a wonderful sense of humor. Everyone she met or knew can attest to this. She worked over 20 years at Chrysler Ins. She was so loved that her friends she made there have kept in touch all these years later. Not by text or facebook but by actual phone calls. Good thing since she was not computer literate (GIZMO) & proud of it, although she loved her printer we gave her one Christmas. She made copies of everything, especially (old) pictures. Aunt Theresa was truly loved by all her many nieces & nephews. AND THERE YA ARE!*
