I knew Tracy for 40 years. Even though we moved away in 1990 , we kept in touch and Tracy & Jerry always welcomed us with open arms into their home each year when we returned to visit friends and family. Tracy had a big heart and always loved doing things to help others. She loved it when we brought our son Brian to visit. He was always good for an entertaining visit. In the evening he and Jackie would retreat to the basement to watch movies and eat pizza while we talked the night away out on the patio with friends and neighbors. Steve and I will miss Tracy so much. She was so loving, giving and selfless. She always made everyone feel loved and cared for. She was also a woman of great faith. I feel confident that she is in the presence of our Lord and Savior.

“ Tracy is the cousin who always had a smile and family in the center of her heart. She was a strong woman who will be missed by many. May God bless her family and all those whose hearts are hurting due to her passing.
