“ Tom and my husband Bob loved to tease each other either at family gatherings or camping, especially around the campfire. I loved seeing how proud he was of Darlene and all the grandchildren. I will miss his stories and humor. Blessings for the family and Tom's soul.

“ Your Dad was a great teacher about camping and why we should buy a simple tent with 2 collapsible poles with a tent that goes up in 5 minutes. We were going to borrow their tent, your parents showed us how it goes together. There were so many different poles. The poles had to go in a certain order. None of us paid close enough attention. Fun memories.
