“ *Tom was a good friend and we shared a passion for astronomy. I first met him when I was 14 at a local science store called Science & Things. Our group of friends would often go out observing and enjoying the views through the telescopes. I had moved away and lost touch. I'm so sorry to hear that he died some time ago. I will always have fond memories of him. — Jim Ehlers*

“ *What a great cousin. So glad I was able to come to the service and see my remaining cousins. Wish it had been sooner in Tom's lifetime. My heart aches for your family.*

“ Tom, we all will miss you. We golfed on a Thursday golf league @ Hickory Creek, and sometimes on Mondays just for fun. We called you "the Grimm reaper," the "Grimmster," "Gimmy." You were a kind and gentle man and we will miss you.
