“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by Jehovah God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ Pat and my prayers and love go out to Tommy's family. His large and loving family have to be so very sad to lose the Patriarch of the Loughlin Clan. Tommy was the man of a million jokes and shared the same love for Notre Dame that Pat, Andy and I do. He will be deeply missed!!

“ I think Rick Miller put it perfectly. The Loughlin clan was tightly knit and so much fun to be around. I miss those Aloha State Park days more than you all know. Even though life has made it difficult to get together often, it still is like very close family when we see each other, like we've never missed a beat. We will miss him. God bless all of you.

“ It’s been two days now, since you have passed. I’ve been searching for the right words to say, but finally gave up, knowing I won’t find them. But, I’ve been thinking about you a lot, the last two weeks. I’ve shed some tears and have had some deep-gut laughs. I will always hold on to those wonderful memories and special moments. There is one thought that kept coming back to me, over and over. I have never known a family as tightly knit as the Loughlin clan. That special relationship will continue to flourish in the families that follow. I applaud you and Mary for building that eternal bond. I also thank you both for making me feel like a part of it. You have left a great legacy. I look forward to the next “meeting” which has no ending...
