“ *I worked with Tom from opposite sides of the table....him in purchasing....me in sales. He was a very respected adversary - smart, practical, and fair. I was fortunate to have the opportunity to start with a professional connection that allowed us to become friends. He will be greatly missed.*

“ *This is unbelievable. I am still trying to process this as I am about 14 years older than you. Tom, I want to thank you for teaching me how to eat a hotdog. When Brianna was playing soccer at "The Park" you were a parent working in the concession shack. You taught me to get a hotdog, open it up, and line the length of the hotdog with sliced pickled Jalapeno peppers. Add some yellow mustard and ENJOY. Tom, on Monday September 26, for lunch at home, I had a hotdog lunch, lined with Jalapeno peppers from one end to the other, in your honor. ENJOY your eternal life in the heavens. I'll catch up with you there.*

“ Dear Kathy and Brianna - My heart, thoughts, and prayers go out to both of you, and the entire Starosciak family. I only knew Tom through our time spent ushering together at St. Michael's, but he and I hit it off immediately from the moment he joined our team. I will miss him and our little automotive and camping related chats. May God comfort you all with his peace and understanding at this trying time.

“ *I had the pleasure of working with Tom for many years. Our work allowed us to travel to various suppliers to visit their facilities. Have such great memories from these trips to Mexico. We also had a surprise “roast Tom” farewell meeting when we thought he was moving to another group a few years ago. That transfer was canceled and we joked that he only wanted to hear us tell him how we enjoyed working with him.*

Well it truly was an honor to know and work with Tom Starosciak! A great guy. You will be missed.

“ I worked with Tom years ago at Visteon, ACH, then again at Ford. Tom was always straight forward and honest. I enjoyed working with him and chatting with him when we worked in the same office. We laughed and talked candidly about work stuff. My condolences to Tom's entire family.

May God comfort you and provide you with strength as you grieve during this very difficult time.

“ Tom was a precious nephew to me from the time he was an active toddler climbing on furniture and racing through our little house in Livonia. I will forever treasure the times when Tom, Kathy, and Bree joined the Starosciak family gatherings. May fond memories of Tom bring peace and, at times, even joy to our family. R.I.P., Dear Nephew

“ I really enjoyed working with Tom during our purchasing days at Visteon. We always had a great time working together and golfing. He was the life of the party and had the best sense of humor and was genuinely one of the nicest people you would ever want to meet. I am so very sad to hear of his passing. My thoughts and prayers are with his family. Tom will be greatly missed. Rest in Peace my friend.

“ I had the pleasure of working with Tom for many years. He was a great co-worker and always supported the team - he was the best. His light hearted & easy going personality always made the work more enjoyable. More importantly I had the honor to call Tom a friend. A terrible loss. He will be missed by all that knew him.

“ Tommy “Star” was a great person. He led the cheer for our volleyball team in high school and started a chant saying my name while I was serving. That meant so much to me. What a nice guy to support us. You will be missed Tommy. Heaven has gained another Angel.

“ A team player was the " Walking Man " of the DHBL who never swung at a bad pitch. He let me tee it up from a fairway bunker during our Boys Trips to Myrtle Beach. He never trumped an ace when we were trying to set the dealer in cutthroat euchre. Took it like a man when I hit him in the chest with a 10 pound frozen turkey. Had the most Likes on my Facebook posts. R.I. P. Tom, Sincere Condolences to the family.

And then there were the times he'd ump games after he was too old to play...always telling Mark Bailey to shut up, after he'd had his limit of all the trash-talking & razzing players whenever we'd sit on the equipment box at the field!!
