“ I'm so sorry to hear of the passing of Tom. He was a prince among men always caring and helpful. I worked with him many years ago. He steered me to a job closer to home. I also worked with Matt. I'll never forget the kindness both men have shown me. You can always tell a good man by how he raised his children. Tom was a good man and he raised wonderful children. My condolences for your loss. It is felt by all 636 union members.

“ *Lifelong friends like you can never be replaced Tom. And never forgotten! 70 years of great memories since First grade, through happy, and tough times. You always had a level head, and a kind and compassionate heart. A big guy, with an even bigger heart! You probably never realized that you were teaching some of those around you some lessons about "family first" and personal responsibility! But you were! I am honored to be able to call you Friend, and I will cherish our time on this Earth that we shared. May you now be comforted by our loving Father in heaven with those you have loved in this life. Till we meet again my friend.*
