“ *To the family of Thomas Tipi, I'm truly sorry to hear about the lost of your loved one. Death is such a enemy of mankind and it is something of that we will never accept as normal because death its self is abnormal. How happy it is too know that one of the promises in the bible states that their will be a return to life of all those in the grave this is found in the bible in the book of John 5;28,29. i hope that this scripture will bring you as much comfort as it has too me in the lost of my loved ones.May the family be reassurred that when this earth as been changed into a paradise all families will be reunited to enjoy the blessings described in the bible at Psalms 37;10,11.*

“ Dear family of Thomas Tipi,

*I am deeply saddened by your lost. I too lost someone in death but the bible helps us to appreciate that our loved ones we lost in death will live again. (Rev.21:3,4) This scripture helps us to see there will be no more death,sickness,crying anymore. What a wonderful prospect to look forward to the future.*
