“ *My Friend You will surely be missed. Your helpful words and shared experiences most certainly carried a good message to many that needed it.*

I am Grateful to have been able at least for a short time, to have trudged the happy Road of Destiny with you.

We shall be with you in the fellowship of the Spirit. You worked to be reasonably happy in this life, like we all are trying to do. Our Prayer is that we can all be Supremely Happy Forever with GOD in the next. Amen.

“ *Godfather and/or Uncle Tom to my three boys. Brother in law to me. Tom has always been the fun Uncle with a great sense of humor. He also took the time to talk to my boys about their lives and goals. He supported all my children through their sporting events, concerts, school, hobbies, and life happenings. He always gave them his attention, time and showed them love. He was the cool uncle with all the funny stories of himself and his brothers. We loved to hear the stories of all the Vicars/Prew boys growing up. Having three boys, the stories really resonated with us all. Tom was a hard worker who deserved more than he had! Tom, you will truly be missed by all! Blessing to my old family during this difficult time!*

“ *Tom was a loving and supportive friend of mine through AA. We shared wonderful meetings. When I didn't have a car, Tom gave me many rides. He was all about service. When I started a new AA meeting at my Church, Tom drove all the way out to the meeting to support it. He will be dearly missed.*

“ *Peg and I are so sorry to hear about the death of my Nephew Tom. Our prayers and love go out to the entire family in this time of sorrow and grief. I often think of Tom and his brothers when we all lived in Taylor and they would come out to stay for the weekend at their Grandparents Farm and we would roam the fields, climb Trees and go on other adventures. This will always be in my memory when the days seem short and we were for ever young.*
