“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
Sincerely, Carlos & Sandy

“ I met Tiah at a local bar at halloween in 2013

She was so nice and sweet , wonderful to sit with and talk , cringe when I think of the story she told me of her fiancé Dwayne firing young of an OD. She also told me how she was out to make it on her own she wanted a better job and told me she wanted to do more but Dwaynes death haunted her and seemed to follow her like a curse I have her my card and told her if she was in a pinch of help out

She called every now and then and need food

My rule was I'd take her shopping she loved ice coffee lol. I'd take her out for pancakes or crepes I asked her if she was using she said no

She told me about a guy she was seeing I got a bad feeling I called her a few times she always sounded sleepy but said she was fine I was shocked n sad to see a post that she had passed away , she was way to trusting of strangers , she shared a story about some guy that scared her ,again she said she was ok and wasn't going to trust as easy , I know I'm not family we kinda just bonded cuz we both spent a lot of time alone , she had a great spirit of love and kindness super smile I'm glad I met her as she touched my life just by being a friend who would listen rest in peace young lady. I prayed over her , seeing her in a casket was hard for me it must be been a million times more for her family and long standing friends my deepest sympathy and condolences

How one recovers I do not know but smile that she was ! This harsh world can take the best of us down , may she find the peace and love she sought on earth and see her Dwayne in heaven sadly she shared with me that it what she wanted , many will miss her she will not be forgotten
