“ *I dont know what to say. I havent seen Tiffany since she went to Ferndale, but its still so hard to deal with. To the family, i'm so sorry for your loss. Tiffany was a beautiful, sweet girl and she was such a good friend. We'll all miss her so much. And to Tiffany, I'm sorry that we kind of lost touch throughout the years. I'll always remember when people first started asking if we were sisters, because we kind of looked alike. Those were good times. I'm so glad I got to meet you and become your friend. I'll miss you, but I know your in Heaven, watching over everyone. Much love*

“ I am so shocked and so sad to hear of Tiffany's death. She was a wonderful student. I was privileged to have her in my art classes her senior year. I have so many special memories of her laughing, and sharing her infectious enthusiasm with myself and her classmates. I have some of her art work. She was so modest, she left them for me, so that I may use them as examples. I need to get them to you; they are precious. Debbie Graham
