“ *My condolences go out to the family of Timmy. It was a shock to me when I heard of his loss and to know that just a few months ago I saw you all for similar reasons with the loss of Mr. Jackson. My family sends their condolences and prayers as well. I wish that I could be there during this time and in person but physically that is not possible as I am in South Carolina at Seminary, yet know that in my heart and in spirit I am there and praying God brings you all comfort in your time of need.*
