“ *Dear Mrs.Bombery, Matt and family,like Gary Lear, I too have fond memories of Todd going back to grade school.It was great to talk with him at the reunion in August and I told my 91 year old mother all about our conversation. Jarle and Marilyn were saddened when I told them, too. Please know that although he is no longer in this physical body, his spirit is eternal.*
Sincerely, Sylva

“ *I am so saddened by Todds passing. We scarcely knew each other in high school but reconnected at the reunion this year and planned to see each other again. My heart goes out to the family. He was too young to leave us.*

“ *Mrs. Bombery,*
We were saddened to hear of Todd's passing. We enjoyed his company at the recent class reunion. May happy memories comfort you and your family.

“ *Mrs. Bombery and Family,
I lived two doors down from you in Garden City and remember making communion with Todd (still have pictures) and attending his birthday party when we were around 10. While Todd and I were not close during junior high or high school we spent a lot of time talking at the recent reunion, and caught up on many years. Todd was obviously very close to all of you and proud of Matthew's children. My thoughts are with you in this hard time as are my condolences.*

“ *Dear Mrs. Bombery, Matt and family. I am so saddened to hear of the loss of Todd. If you can remember, he Jeff Kocsis and I were great friends in elementary and Junior high. I remember coming over to your house all the time and I remember Matt when you went away to College. I havent seen Todd in years and I'm really sorry I couldn't make the reunion to see him. May God Bless all of you and know that he will be in my thoughts and prayers..Gary Lear*

“ I was very saddened to hear of Todd's passing on. My deepest sympathy goes out to your family. Maybe you will find this poem below somewhat comforting. I think Todd would have liked it.

*Grief,
Like the ocean
Comes in waves
Only to recede
And then come back yet again.*

But with this comes healing.

*Memories wash ashore
And are bathed by the golden sun.*

*Grab hold of those memories
And let them fill the emptiness!*

You all are in my thoughts and prayers.

Love, Shari

“ I am so sorry for your loss. We just celebrated "Garden City East 40th" class reunion in August with Todd and he attended the dinner and picnic. We all shared memories with each other of years gone by. The committee just finished the memory booklets and made one extra in case I had a last minute order. The reunion committee would like to deliver one to Irene Bombery. Since he is in many of the photos. I live near by at Hix and Joy Road and will be able to deliver it tomorrow (Sunday) 10/5 if it is ok with the family. Please contact me at 734-354-9001.

“ On behalf of myself and my mother, we would like to thank those of you who have already called to express sympathy.

It was Todd's wish that he be cremated without a viewing or formal funeral gathering and we are honoring his wishes in that regard.

As noted in the obituary, for those interested, the Lighthouse is his charity of choice, donations are tax deductible.

Anyone wishing to send a card to Irene, Todd's mother, can mail it to her at 14124 Grant Drive, Plymouth MI, 48170.

Our family is in the process of scanning more photographs for internet posting and the web link to them will be posted here in the near future.

Again, thank you for the kind thoughts at this difficult time.

“ Todd and I had fun together playing in our band, the Quick & The Dead, in high school. Though we didn't stay in touch, my memories of him are rooted in those innocent times, and I remember him fondly.

“ To the Family, May each of you find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8)
Take care,

“ Dear Mrs. Bombery;

I was Todd's friend from the post office in Dearborn Hts. I would bring my little dogs over and visit when you at American House. Todd and I would go bike riding, to picnics and events at the Moose in Dearborn Hts., and even went to church together a couple times at St. Sabinas. After you moved to Plymouth, Todd and I didn't keep in touch much. He was a very sweet and caring individual. We always had a lot of fun together. I am really saddened by your loss. He loved and admired you and always would boast about family members. He was very proud of all his family and spoke often of his father. I will really miss him. Please know I will hold you all in my prayers.
