“ I just heard of Tom Bemis' passing. Tom used to stop at my house on his daily walks for a quick chat. We all called him "Tom the Walker." Sometimes, if I was busy, he would just wave from the sidewalk. He brought in my garbage can for years before I knew it was him! I miss our chats. After a short conversation with Tom, you always walked away feeling positive. Rest in heavenly peace.

“ Tom was the kindest person I have met. We worked together and I can say that he made going to work enjoyable. He loved his family and I enjoyed listening to his loving and humorous stories. I enjoyed his phone calls after moving to Pennsylvania. I will miss him immensely. Rest in peace my friend.

“ Tommie and I met as co-workers at BASF Corporation. He taught me the fundamentals of automotive coatings. But more importantly, he taught me to respect the balance between work and home life. Tommie loved his family first. It took me a while to learn, but I will always be grateful for that lesson. Much love and prayers to the Bemis family.

“ I was blessed to get to Mr Bemis, as my daughter danced with his granddaughter Collette
We spent many a weekends traveling, following and supporting the dance competition
In that time I got to know all of the Bemis family
Mr Bemis was always a kind, supportive and friendly
Not to mention, always a vital source of Red Licorice
