“ I will miss Tony and remember him as the man who gave so much to enhance the personality of St. John Neumann Parish. Tony was responsible for many of the banners that have flown on the light polls outside our building and he is the person who first created and maintained the memorial wall that has been very special to the parishioners of St. John Neumann since it began. But something that was very special to me were the many invitational posters Tony created for St. John Neumann as he helped us offer a faith formation experience for parishioners of all ages. I will remember Tony as a man, whose faith was lived every day of his life!

Mary, my thoughts and prayers are with you and your family!
All my love,

“ I will surely miss Tony though I haven't seen him in a while. He always gave me a hard time when I was getting posters for SJN, but he always got them there when I needed them. Tony was so outgoing and fun to be with that it was easy just to fall in love with him. I will miss him being here on earth but he is happier being with God.

God bless you Mary. You will be in my prayers for sure.

“ What a wonderful, kind, generous and funny man is Tony Schmitt! We will never forget your love and generosity along with Mary at all our children's weddings. And most especially how you rented that chicken costume and came strutting out to the "Chicken Dance" music at our daughter Lisa's baby shower. Lisa was always Tony's partner for the Chicken Dance at our church parties. Not only did you make everyone laugh and cheer at the shower, but as a finale, presented Lisa with a plastic egg with a pretty bracelet inside.

Tony we love you and will miss you so much! We pray you are now seeing God face to face and that Mary and your entire family will be wrapped in the peace only God can give.

With Love and Prayers,
Bart and Diane
