Tracey Ann Annear

February 27, 1964 – September 15, 2024

Saginaw, Michigan

Tracey Ann Annear, 60, of Saginaw, Michigan, passed away peacefully on September 15,

2024. Born on February 27, 1964, to Richard and Dorothy (Hardy) Annear.

Tracey was

a beloved sister, aunt, and friend who will be deeply missed by all who knew her.

A creative soul from a young age, Tracey found her passion in the arts, participating in

high school drama and playing the flute in the middle school band. She graduated from

Bridgeport High School in 1982, where her artistic talent was recognized through

several awards for her exceptional paintings and drawings. This love for creativity

continued to be a central part of her life.

Tracey went on to pursue higher education at Central Michigan University, where she

earned her bachelor's degree. She built a successful career first in banking as a manager and then as an accounting manager at Feldman Automotive, where her dedication, hard work, and attention to detail were greatly appreciated by her colleagues. Beyond her professional life, Tracey enjoyed a wide range of hobbies. She was an avid quilter, an enthusiastic baker and cook, and found joy in sewing and reading. Tracey also had a deep affection for her "fur babies"—her beloved cats who were constant companions that she shared with her roommate Nancy (Skaggs). In her free time, she loved to travel and explore new places, making memories that brought her immense joy. Tracey also believed it was important to be an organ donor to help others and was certified to do this.

Proceeding her in death was her Mother Dorothy (Hardy) Annear. Tracey is survived by her father Richard K. Annear, her sister Catherine aka Carie (Jeff) Mount and her brother Keith (Amanda) Annear. She also leaves behind her niece Kylie Mount and Nephews Richard K Annear, Ryan Mount, Jackson Annear, Liam Annear and grand nephews Owen and Robbie Annear as well as many aunts, uncles and cousins all of whom will remember her for her warmth, creativity, and generous spirit.

“ Just saw this and I'm having a hard time believing it. A more beautiful human being has never graced this earth. My deepest and most sincere condolences to the Annear family.

“ I worked with Tracey at NBD in 1989. I do remember her fondly. She was very friendly and outgoing. I very much enjoyed the time we spent together. In the years that followed I would see her on occasion in the company of a mutual friend. It was only yesterday that I learned of her passing and I am so very saddened by her loss. Time has a way of putting distance between people. I would have so enjoyed seeing her again. She was taken too soon. My condolences and my prayers are with her family.

Yesterday I found out that Tracey had passed. This comes as such a shock as we worked together and lived together back in the day. Tracey always had a friendly smile and time to chat. I'm truly sorry to hear this news. Please accept my condolences and prayer for Tracey. Tracey, please rest in peace.

“ Tracey was a joy to work with, she would share stories of the antics of her cats on Monday mornings which would have us laughing with tears in our eyes and often shared loving memories of her growing up years across our beautiful country with her siblings and what a wonderful way it was to grow up and experience diversity and bring her out of her shyness. She will truly be missed by her team and has left a marked void in the office.
