“ Sue, Lisa ,Bradley & Family, Our thoughts and prayers are with you all thru this difficult time. As said no parent should have to say: till we meet again to their child, but we can be sure her Father held her hand home again. Her beautiful, contagious smile and personality will forever shine in the hearts she has left behind. But at peace now and free of pain she join her daddy and rest in peace. God Bless your courageous soul Veronica.

“ *Do not stand at my grave and weep,
I am not there... I do not sleep.
I am the thousand winds that blow...
I am the diamond glints on snow...
I am the sunlight on ripened grain...
I am the gentle autumn rain.
When you waken in the morning's hush,
I am the swift uplifting rush
Of gentle birds in circling flight...
I am the soft star that shines at night.
Do not stand at my grave and cry—
I am not there... I did not die...*

“ *May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of His hand. You Are Now our
Gaurdian ANGEL!!!!*

“ Sis, you mean the world to us. Thank you for all the years of smiles and jokes. You are amazing, and I hope I lived up to the expectations of being your bro. You were a beacon of light in the darkest of times. You smiled when most would have given up. I could never be as strong as you and right now I must try. I will miss your smiling face and funny jokes and your presence and right now the void of the loss of you. It will never be the same and I thank you for being one of the best things in my life. Right now I am weak, but I am so much stronger for you being in my life. You will never be forgotten, and I will always miss you. As bad as I'd not want to do 4th of July anymore, I know you'd want it to go on. It will be one of the hardest things I will ever do, but I promise like all the others I made to you, I will keep it. And Celebrate you and dad on the 4th and blow things up proper for you. This is goodbye for now, and as impossible as it is for me, one day we'll all be together again. I Love you with all my heart sis and I hope you know that. We'll miss you and it will never be the same. rest in peace sis, the pain is gone now. Watch over us, and protect us. There is no doubt you are a guardian Angel now. Let your light shine down on us and keep smiling, I Love you

“ From the very first time I met Veronica to every conversation we had, she was always positive, friendly, outgoing, and feisty. Not feisty in a bad way, just lots of spark in her personality that always impressed me. Her personality was contagious in that you were left feeling happy, vibrant, and ready to enjoy life yourself. While she is gone way too soon, myself and everyone she met will keep her with them because of her contagious take-on & enjoy life spark.
