“ *Mare, Steve, Matthew and Jonathan - the house may be quiet and your hearts very heavy but the loving memories of mom & grandma will be inside you always. She was very fortunate to have your constant family love around her. My heart is breaking for all of you.*

*Love,
Aunt Janis*

“ *Mare & Caroline - no mother could have ever asked for better daughters than the two of you! You were a constant loving reminder to her of the success she was as a mother. I only hope that I can be as caring, respectful and compassionate as you were to her if the situation ever presents itself in my family. You are both in my thoughts and prayers. I wish I was there in person for you but know that my heart is with you always! With my deepest sympathies*

*Love,
Janis*
