“ *Aunt Veronica was my god mother and she was the best! She used to bring me clothes from Hudsons when she worked there. My favorite was a green jump suit that I wore religiously in third grade. I had the most stylish god mother! I remember her sophisticated hats. She would have spoiled me much more if my parents would have let her! She bought me my very own tv ( in the 70's no kid had their own tv! I had to share with my siblings- boo) Once we moved to the Rochester area, we did not see Veronica very often. As you can see, I just now found out about her passing. I am so sorry that I did not know her better and I am sorry for the loss of those who did.-

“ *I attended Gardner school in Detroit with Roni. I am still in touch with some of the girls. I remember Roni as a little girl with a great personality and a lot of laughs. Sorry to hear of her passing.*

“ I am so surprised and saddened, and express my most sincere sympathy to Roni's Family. There is no doubt in mind that you all have beautiful memories. Bernadene (Shamus), Roni and I were all such great girlfriends through elementary and high school. We tried many times to reconnect and feel very sorry we did not. We thought of and spoke of her often. I have fond recollections of the laughter and love (and typical sibling rivalry) in your home when I visited frequently as a teen.

“ My sympathy to the family...I knew Roni all through grammar & high school. She was a very sweet friend, and I just read what she wrote in my 1961 yearbook (brings back some great memories.) I found her on Facebook but had a hard time touching base...I just thought of her last week to try once again to see if she could join a group of us for lunch. I am sure her family will miss her terribly. Rest In Peace Roni...so proud that I had you as a friend for so many years. Love forever!
