“ I had a recent dream about Vicki. When I awoke, I had a feeling something was wrong. I got on my computer to look her up, and sadly found her obituary.

I used to be so close to this family before I moved across the country 12 years ago. I will always love each family member. I loved Vicki as she was my own mother. We shared the same political views, and often playfully argued with other family members. She was always so sweet to me, and I will always deeply grieve her loss.

My heart is so heavy that I learned of Vicki's passing 4 months too late. Ellen, Vic, and Julie, I have always loved you all and still do. I will always miss you, and am so sorry.

“ *Victor and Julie and family, we are so saddened to hear of the passing of your Mom. We had the good pleasure of knowing her too and she absolutely was an angel on Earth. She loved her family and we loved talking with her when she helped you and the business. We pray for her eternal soul and that she rests in peace Vic. God bless her and all of you in this time of sorrow.*

“ *I meant Aunt Vicki through her niece Susan when they came to play bingo at Tonquish Creek Manor where Susan and I lived. I started to visit aunt Vicki and her apartment. Got to know her family. I love them all then they adopted me. I love aunt Vicki like she was my own auntie. I'll never forget her, she was a wonderful, wonderful lady. Diane Fuller*
