“ *We were sorry to hear about Aunt Vi. We tried to see her in April when we were down there, but she didn't want to see anyone due to her health. I did at least talk to her for awhile on the phone. We did see her last November when we were downstate and commented on how well she was doing for her age. We will always remember the good times we always had when we visited her, Tom, and Diz. I remember spending weekends there even when Tom was at Tech or in the Army. There was always good food and good times. She even did my laundry. We will miss my last living aunt or uncle. We wish our best to the whole family. - Ed & Jo*

“ *Viola! I was lucky to see her in US in 1964 and later more than once in Finlad. She was a very kind and loved person. I miss her! Thinking all of you, Terttu, widow of Mikko Raatikainen.*

“ I'll always remember Aunt Vi for her good sense of humor and quick laugh. Our Copper Harbor and Gay days were always a celebration after she moved downstate. Tom and I got along well and our youth and spent summers together. I have plenty of memories, photos, and a voice recording of her that I'm willing to share with the family when we meet again. Vi was the last of her siblings to pass away and I'll miss seeing her. Nephew Rich, Jane too

“ John, I was sorry to learn of your mother's passing. I just found out yesterday that she had been sick. I have known her for a very long time, however, we didn't get together often enough. She was a wonderful lady. You and your family have my deepest sympathy.
