“ *Dear Mr. Bill, Bill, Al & Judy, Nancy, Dick & Donna and Mark & Kimberly - it was such a shock for me to receive the sad news today. This is one of those times that being this far away in Germany makes it difficult for me to show how much your Mom (and wife, Mr. Bill) meant to us all. You are still so much a part of our family and her spirit remains alive in all our memories of growing up on Rosemary. All my thoughts and prayers are with you. Tom.*

“ *Mr. Bryden and gang, I am very sorry to hear about the passing of Mrs. Bryden. I know that she was a wonderful woman and I have very fond memories from when we were neighbors. I am now living out here in Seattle but my wife and kids had just gone back to MI for the summer. They will try to stop in. My Prayers are with you all.*

“ *Bill:*
Sorry to read about your loss. Chris and I are in California visiting with our daughter and her family and our son. We do not expect to get back to Michigan until the middle of July. Again, I'm sorry to read about your loss, I know how close you both were.
Your old neighbor
