“ *Dear John, Robin, Terry and Randy, Your Mom was one of my dearest friends going back to Memorial when I first babysat for John and Robin. Your Mom loved you and your families so very much. There was nothing she enjoyed more than being with you and then sharing your visits and her love for you guys with me. Your Mom and I shared many meals together and her favorite way of eating was to have her dessert first. Knowing how little your Mom really ate, you have to know that dessert ended up being the main meal. She and I shared much laughter over those desserts. I will miss you Mom very much and always remember her smile and positive attitude toward life.*

“ *My deepest sympathy to Ginnys family. I spent many hours visiting with Ginnys. We talked about her life, family, everyday events and we laughed alot. It was a privilege to know Ginny and everytime I get a Hot Fudge Sundae from McDonalds I will think of her.*

“ *Grandma was an amazing lady. It gave me great joy to have spent so much time with her throughout the years. I will always cherish the memories. Grandma instilled much wisdom upon me and that remains with me now and forever. May she rest in peace and once again be reunited with those who preceded her in finding eternal peace. -Ali-*

“ *My deepest sympathy to the family of dear Ginny. It was an honor and privilege to know Ginny, who was one of the nicest, and least judgemental, woman I have ever known! She was an inspiration to me thru the years.*
