“ *I enjoyed working with Virginia as their tax preparer. Until a few years ago, she would come with her husband. In April 2015, Marvin brought her to have the taxes done. Sorry to hear about her passing.*

“ Dear Marvin,

Your mom was such a very special person. She is so intelligent, funny and easy to be with. We loved her conversation so much because... she was entertaining. Our dad often said "A woman without a sense of humor is the world's biggest bore". That was not "our moms". A phone conversation with Your Mom just made Our Mom's day.

It seemed like it was their mission to be interesting and convivial.

It has been our genuine honor to have had your family as our neighbors.

It is hard to believe we won't be seeing your folks anymore. It makes us so sad.

Our prayers are with you, your dad and family during this very difficult time. May God Bless You All.

Much sympathy,

Love,

The Tocco Sisters
