“ *Ginny and I became fast-friends over 30 years ago. During those years Ginny was my Earth-Angel teaching and reminding me about unconditional love, and the importance of forgiveness. She radiated kindness, love, and generosity serving as a model that helped shape the person I wanted to become. Her devotion to God, family, and friends are a testament to a true Christian and human being. Her spirit as well as her laughter will endure in our hearts forever. You are resting comfortably, My Dear, in His arms.*

I love you always, Cherie.

“ *I think anyone who meant Aunt Gin would describe her as a sweet lady. Of all the memories I shared with her the one that sticks out in my mind is the time I got sick in school and no one was available to pick me up, she drove 40 minutes out of her way to come get me and she even stopped at the store and bought me clothes to cheer me up. That's the kind of person she was. Huge heart, warm soul and a beaming personality. A genuine person with nothing but love and good intentions. Until we meet again, I will miss her very much.*

“ *Nana-*

Thank you so much for being there for me, even though I may not have always appreciated the help or advice when I was younger. Thank you for all of the advice, laughs, and my love for the Red Wings and Tigers. You will always be in my heart forever, and I love you so very much.

*Love,
Erin*
