“ *Mom...my beautiful, dearest, sweetness...you told me you would always be with me...but right now, I would give everything to hold your face and kiss you! To hear your sweet voice, see your eyes, tell you again, again, that there will never again be another that will encompass my heart and my spirit like you! Oh you knew it was time to go, you tried to stay, and you knew, you knew mom, you knew, and you told me, you loved me and will always be with me...I believe you and I trust God when you said you knew he was helping you to get ready...to be free of the old suffering, even tho you knew it would be unbelievable for us, us who know you are the center of our very life...I cant wait to see you again!!!!!!!!!! I am excited, mom, I am excited, we will be together again my love!!!! until then.... 1000 kisses a day on your beautiful face!!!*
