“ I was Vita's nurse when she was with home care. She was lovely. She had a tremendous affection for her family. She was very matter of fact but at the same time had a wonderful sense of humor. Such a beautiful soul. I so wish I had a chance to know her when she was well.

“ Vita and I met when we were 9 years old and she and her family moved to Heyden Ave. in Detroit. We had so much fun together: picking fresh romas from her dad's large garden, going for rides in her brother's T-Bird, golfing at the miniature golf owned by her aunt and uncle, partying with the family in front of the garage, taking care of little Anita and Carolyn, and eating fabulous dinners and cannolies made by her mother. It was wonderful. We continued together to Mercy High School and got fabulous educations there. Then our lives diverged - Vita got married to Al and began raising her family. I got a teaching degree and moved downriver. Then as life goes, we were both so busy with our careers and families. We managed to continue our friendship always, however, and met for the last time on December 26, just two weeks ago, when I visited with her and got acquainted with her wonderful sons as they cared for her. I am forever grateful for my friendship with Vita and the Coppola family.

“ *My beautiful friend Vita will always remain in my heart. I remember all of our garage sale outings followed by lunch. Vita was always my rock in hard times. We didn't see much of each other in recent years, but were always there for each other. Rest in peace, my dear friend. Love, Marion*
