“ *To Walter's family and friends, may I offer my sincere condolences. Death is something that effects all of us. However I find the Bible's promises to be very comforting. Our Loving Creator Jehovah God, gives us a wonderful hope, namely the prospect of living in a paradise on earth in peace and happiness, and perfect health and seeing the resurrection of our dead loved one.(Luke 23:43;Acts 24:15;Revelation 21:3,4) in the very near future. As you look forward to the fulfillment of these precious promises from our Grand Creator, may these Bible truths help make your present pain a little easier to bear.*
