“ *Walter will be greatly missed, not only by his family but his friends. We met Walter a number of times when he visited his son Jim. He was a great person and will be remembered as a happy and funny, wonderful man. We will miss that smile and humor. We are so glad we had the pleasure of meeting Walter. He will be truly missed, but will definately be in our hearts forever !*

“ *My memories of Uncle and Auntie are so many from the cape in the summer and that special shoe store we always had to visit to my going to see them in Arizona while I was living in California...they were always such a special part of our family... My heart is broken to not be able to be there with you all. please know that we are with you in spirit and that he was loved so much...they both were...praise to God that they are together again!*
