“ *Mom you looked so lovely at the visitation. I know you are in Heaven and are at peace. It was a sad day for all of us. We feel sad because you are gone from us, even though there are no tomorrows we have alot of yesterdays. Rest peacefully with the Lord.*

“ *I consider myself so lucky to have such an exceptional women like Wanda Cebulski touch my life. Considering what a tough life she had as a child, she still had the courage to be a positive thinker and face the challenges with a lot of “guts” and her faith in God. I will always remember her smiling face when Bev and I took over her basement dancing to the latest hits from “American Bandstand” and had the patience to deal with us. The many memories of myself, especially as a teen, are many and continued as time went on. She aged so gracefully not just physically but emotionally. I’ll really miss you Wanda.*

“ You were the best Mother-in-Law a guy could ask for. Having you at our home for celebrations, dinner, and playing bingo in the living room are memories I will always cherish. It will be difficult not doing these things again, but I know that you knew how much you were loved.
