“ *My sympathies to the family. I knew Wanda way back when. She went to high school with my mom, Elenor (Mom is now 93), and was godmother to my youngest brother (pic attached). Wanda was so smart and had a quick wit - and I loved her laugh! Mom, Wanda, and other high school friends (Helen, Lillian, Barbara) still gathered through the years, and were such a beautiful example to everyone of the importance of lifelong friendship!*
