“ *Aunt Wanda was a beautiful person. She was always there for you and saw the good in every one. I was blessed to be able to have her in my life and be a part of her extended family. The love she shared with her family will live on through them and that is a blessing to the rest of the world. Aunt Wanda thank you for being such a loving and caring person, you will truly be missed but you will always be remembered. Please give Lisa a big hug from me, I miss you both.....*

“ *My heart goes out to all of you. When Wanda came along the mold was broken. She was the smile on your face when she was around. She made you laugh untill you couldn't take it anymore. She was the one you could tell anything to and she always knew how to make you feel better. She could love like no other, feel pain like no other and leave a huge impact on everyones life like no other. I loved her and will never forget her.*

“ I'm sorry for the death of your mother, and my blessings go out to your families. Your mother had a special place in my heart and I'll always keep her there. I know how much she missed her mother and I can only feel good for her knowing that she is with Minnie and her dad now. I also know that she is a little sad that she wouldn't be around to watch all of her grandkids growup, knowing how much she loved them. I'm going to miss her and I hope that she's knew that.
