“ Dear Ken, Elaine, Debbie, Ron, and Don,

I'm sure we all have many thoughts in our minds and such sorrow in our hearts since the passing of Wayne. I believe at times like this we cogitate our own lives and realize just how short life is and what a wonderful gift we have been given.

Wayne was one of our most precious gifts in life that we have received and I personally will have a very special place in my heart for him always. Over the years Wayne has been generous and has done wonderful things for all of us. Wayne worked hard and played hard. He accomplished astonishing achievements during his short life and still in his lifetime he did more than most. Wayne was truly an amazing, loving, and caring man.

I can only speak for myself in writing this last line, but I hope I have given Wayne an abundance of love, joy, happiness, laughter, fond memories and pleasurable time during our time together.

My thoughts and prayers are with you.

I love you all.

“ *I'm deeply saddened to hear the news of Wayne's passing. I've been going to his Coliseum Racquet Club in Taylor for the past 30+ years and have made many fond memories with friends there. Over the years, I've had the pleasure of getting to know Wayne ... he was always a super guy ... very giving and compassionate and possessing a great sense of humor. My deepest condolences go out to his family and friends. He will be missed by many.*

Wayne Holman was a person of many talents and a determination to succeed with all of them. His enjoyment of life extended from a vigorous game of racquetball to a hard day's work. He was generous, especially to those close to him, his family, and those he loved. Of most significance, perhaps, was his dogged Independence and resourcefulness. He will be remembered by many for much. May your journey, Mr. Holman, be one of peace and contentment

Our thoughts are with you --- Kenneth, Elaine, Ronald, Donald, and Deborah.

Please accept my sympathy. I had known Wayne for over thirty years playing racquetball at his courts on Telegraph. We had many conversations over that time. He will be missed.
