“ Dear,waynes family we were so very sorry to hear of the passing of all of our good friend wayne. He was a man of great integrity most of all. If wayne was your friend, you had a good friend. It was impossible to not like Wayne from the moment you met him. We all have our special memories,with,and about Wayne. I always got a kick out of the "Waynes World sign",he did too. My brother kurt had a special friendship with Wayne for even longer than I had. He recalls the time they were out in his boat and almost sank it. They always had to laugh about that one. Chris recalls that Wayne was the first person to call when she learned she had cancer. Debbie says she could not believe it the one time wayne had a few to many and actually had to get a ride home from the spikehorn. we all with miss wayne in our own way. We all give our condolenes's to waynes family. As much as we will miss him,we know it will be even harder for his family. May god bless you all and my god bless Wayne.  
Sincerly, Bruce,Debbie,Kurt,Chris Stern
