“ *Bob,*

Kathy and I were saddened to hear about Wendy passing away. She was a great influence on our daughter Elise when she played basketball for Canton. She was always positive with members of the basketball team and supported them both in their academic and athletic pursuits.

Our thoughts and prayers are with you during this difficult time.

*Sincerely,
Kathy and Chuck Thornell*

“ *Bob, I only recently learned from Debbie of Wendy's sudden passing and I am truly shocked and saddened. I think the two of you were a most welcome part of my practice for probably 30 years. It was always a pleasure to look at my schedule for the day and see that Wendy was going to be visiting. She was invariably kind, appreciative and in good spirits.*

What I miss most in my retirement are those wonderful individuals like you and Wendy who I considered more friends than clients.

My sincerest sympathies.

“ Wendy was always a breath of fresh air thru all the ups and downs of each and every basketball game that our 3 daughters played at Canton High School back in '97-04. She and Bob were ultimately the BEST team; as they supported teams and teams of young girls throughout basketball years.
Bob, I'm so sorry for your loss.

“ Wendy was the "force" of Cory School through many a principal, changing staffs and varied state regulations. She kept teachers informed about the children, her first goal and ran interference when she could. Some said they could tell time by her timely arrivals at school. She weathered many a storm and kept an up beat attitude. She will be sorely missed for her strength, role model personality, hard work and her ever present smiling face.
