“ I am so saddened to learn now, after many years, of Wendy's premature death. She was a great woman, and a superb mother. She left an indelible mark on all who had the privilege to know her. My deepest condolences to her husband, children and her entire family and friends.

“ Please accept our sincere condolences on the passing of your daughter. We had the pleasure of meeting her and her daughters several years ago. Although she had only a short time here with us, she brightened the lives of those she touched. We will miss her and hope that you find some relief knowing that you will see her again in the future. God bless you.

“ Wendy and I were in several MSHROD classes together at EMU. I was always thrilled to work with Wendy on projects because of her intelligence and experience in Human Resources. She was also a lot of fun! We had time to talk about our families and I often heard stories about Wendy's daughters and her fiance who became her husband while we were in school together. She even shared their beautiful wedding pictures one day. Even though I haven't seen Wendy in a while I will always remember her spirit and integrity. Please accept my sincerest sympathy.

“ To Wendy's husband and beautiful daughters, we send our prayers and condolences. Wendy was a great co-worker. She was a great Mom too. Our daughters went to school together and rode the bus together in addition to us working together. She was a courageous woman of faith. We will miss her.

“ I am deeply saddened to hear of Wendy's passing. Wendy was truly one of the most dedicated public servants I have had the pleasure to work with. Wendy went the extra mile to help me concerning hiring and promotions at the Pontiac Police Department. The City of Pontiac is a better place for Wendy's service. She will be sorely missed. My sincere condolences, Todd Courtney, Captain Pontiac Police Department

“ To Wendy's family: Although I only had known Wendy a short time before she went out on medical, she was instantly one of my favorite staff members at EMU. I loved the spirit, humor, intelligence, and compassion she brought to her work each day. She was a quality person!!! All of you in Wendy's family will be in my prayers and thoughts as you deal with the loss of her.
