

## Wesley Charles Pincheck

October 13, 1938 - October 27, 2020

Pincheck, Wesley Charles, October 27, 2020 age 82 of Westland. Beloved husband of Barbara. Loving father of Dean (Danielle) Pincheck, Dan (Cathy) Pincheck and Dawn (Mike) Nowak. Proud grandfather of Blake, Trevor, Chandler, Shannon, Brendan, Megan and Jaide. Dear brother of Carl (Margaret) Pincheck. Wes's greatest love and pride was his wife of 55 years, his 3 children and his grandchildren. He cherished every moment he had with them and always had a smile and a joke to share. He had an adoration of the Disney character Goofy, which was so sweet. Card games and frequenting restaurants with others that most often included his brother and cousin were cherished events. His hobbies included collecting matchbox cars, putting together jigsaw puzzles and crossword puzzles. He was a wiz at scrabble and will most definitely be playing a game with his mom in heaven. He was a proud honorably discharged Marine, retired Detroit Fireman, lifetime Alhambra member, and Dads club member at many schools. During and after his kids went to school, he showed his commitment to family and community by working at school festivals, casino nights, sporting events, bingo, pancake breakfasts, fish fry dinners and so much more. His love of the casinos, and even more so, traveling with his longtime friends was priceless. He was known for tracking those trips on his calendar and communicated them to his travel pals in silly ways right down to the minute of the trip. His "Goofy" laugh, smile, and companionship will be missed by so many. Visitation Thursday October 29th 3-8 PM at Vermeulen-Sajewski Funeral Home, 980 N.

*Christmas 2019. It is a rare occasion to get everyone in the family together at the same time. (Both brothers are fireman, so often one is missing) but I am grateful that my dad's last Christmas gathering included all 3 of his kids and all the grandkids. I wish I would have taken one last photo with everyone. I am grateful to have had my dad in my life for 82 years. My parents are truly the best!*

“ *Dear Barbara. I just found out about Wesleys passing and my heart goes out to you and the family. I first met Wes at the firehouse where my husband John and he ran together. John admired Wes and they were friends. John passed away in 2017 and I connected with Wes on Facebook and made him aware of Johns passing. I am so sorry to hear this but I pray that he RIP and that you find peace. May the Lord be your guiding light.*

“ Wes and I first met in August 1993 while he was a patient at HFH. We quickly became friends as he was hospitalized for about 6 weeks then. He was my favorite patient for the past 27 years-he always had a big smile, kind words, and a loving hug. Even after he woke up from various surgeries-he smiled and always called me his guardian angel-what an honor & privilege to care for him. He cared deeply for people and made one feel part of his family. John and I will never forget the Vegas nights at the church that he worked at and we attended-good times. Wes taught me much throughout my career with his loyalty, trust, and love. I will miss you dearly Wes-rest peacefully in heaven among the angels.

Love,

Theresa & John

“ Wes & I have been friends for 38 years. During that time our kids went to Bishop Borgess together and we were members of the Dad's Club. We worked together doing security for football & basketball games. We also worked together on the Festivals & Vegas nights. We were on the Men's Club Board & did fundraising for the athletic programs. After we got kicked out of Borgess; we went to OLG. We did Pancake breakfasts, Festivals, Vegas nights & many many other functions. Wes & Barb, John & Judy, and Sharon & I went on vacation together for over 30 Years. Every year we would go up north to the casinos. At first it was only for the weekend and then it grew into a whole week LOL. We went to about 10 different casinos in a week plus some sight seeing in between. We had 38 years of a lot of fun. Wes would call us on the phone and tell us how many more days it was until vacation and then when it got close he would count the hours and minutes. I could go on and on but I would be here all day, there were so many wonderful times we had together.

Love you buddy,

Dave & Sharon Felczak

He absolutely loved you both! I should say LOVE because he is still loving you from heaven. My parents have shared and done so much for the schools I attended and even a few I didn't. They made Mike and I strive to be active and present parents just like them. They have incredible friends that are cherished. We spoke at his window and on the phone daily! His only wish was to come home because he had plans with friends that still needed to be made. His love goes on!! Love you guys!!
