“ *Good Morning Jackie, Just wanted to let you know we're thinking of you and longing to be with you as you gather to remember, pay tribute and exchange expressions of love and affection for Billie, we are doing the same. We miss seeing and being with you all, especially on this occasion. To Billie, As I gaze at your photo this morning I feel your presence as if you were here... I loved your bright cherie smile, soft lyrical southern drawl and infectious spirit. It's as if you had a secret or about to pull a prank, which you took particular joy in doing! AND- lets not forget the cheese cake and stuffed cabbage!-while your waiting for the rest of us. Il'm planting some new iris in my garden so since there your favorites I,d appreciate your keeping an eye out . In closing know that we will never forget you! Your Spirit, Laughter and Love will always be a part of us . I love you and will miss you terribly! As Holly put it best - I felt your Love Thank you, for that great gift. With much Love forever, Gloria and Don Thanks for being you and your gift of love. If*
