“ *Dear Family of: Will Fred Crouch. Extending sincere condolences to each of you. May you find peace and comfort in God's loving invitation to "throw all your anxiety upon him because he cares for you.-1Peter 5:7. Moreover, God not only cares, he has made provisions for our loved ones who have died. "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs [God's memory] will hear his voice [Jesus'] and come out.-John 5:28,29. Respectfully, Someone who cares.*

“ *If I ever had a favorite Uncle it was Fred..I guess we had a lot in common since we shared the same first name. I remember the red 56 oldsmobile convertible Fred drove to Moms house..He took us out to the drive in movies one night.. Boy was I thrilled. Later in life we were able to go fishing in Kentucky Lake. We did not catch anything but we told lots of stories about our lives and our families. I'll never forget the fellowship we shared. Miles have kept us apart in later years But Fred will always be my favorite Uncle. May God Bless.*

“ Fred,  
I'll bet you've already started installing trellises for the rose gardens in heaven. And now you get to refinish furniture with the Master Carpenter. You are deeply loved and will be greatly missed.
