“ *Terri and Karen, My thoughts are with both of you at this sad time. All of us, especially you two, have had way too much sadness in your lives over the past few years. Your Dad was a wonderful man and father-in-law and I know your Mom, Buzz and Rick are together now, and will be forever watching over us. As I told both of you, due to the recent death of my own Dad, I unfortunately can't make another trip to Mich on that date. I do hope you understand and know I'll be thinking of all of you on July 30...love, Lynn*
